<b>GENERAL INFORMATION:</b> This project is to rehabilitate the pavement of Gallagher Drive along with constructing a segment of the Nine Mile Creek Regional Trail. The project scope is to reduce the pavement width from 43-feet wide to 28-feet wide, add a 9-foot boulevard and a 10-foot regional trail. The required variance from Municipal State Aid (MSA) standards has been approved. The agreement with Three Rivers Park District (TRPD) will be presented on August 16 <sup>th</sup> to their Board; TRPD staff does not anticipate any issues with the agreement. The Engineers estimate for this project was \$415,510.00; funding for the project will be MSA and TRPD funds. Staff is anticipating a construction start within the next two weeks.
